

DEEP IMP TECH//FOR ACT.

COMPETITION

YOUR RESEARCH. THE WORLD'S NEXT SOLUTION.

Got research that could shape millions of lives? Apply & we'll help you bring it to market.

We're looking for research teams tackling social and environmental challenges. No business plan or startup experience needed. Just your science and a team of min. 2 people.

WHAT YOU GET:

- // Industry feedback on your research's market potential
- // Coaching to communicate your findings
- // Access to technology experts & investors
- // Up to 3–6 months pre-incubation at ZOLLHOF
