

Are you interested in a doctorate at WIN?

Are you currently studying in one of our degree programs at FAU WISO and you could imagine continuing to work at the university after completing your studies?

With our information event we would like to arouse your interest in a **doctoral program** and the associated activities as a research assistant at the **WIN – the Institute of Information System.**

When?

Wednesday, June 30, 5:00 pm

Where?

Online session in Zoom:
<https://fau.zoom.us/j/68435480110>

What is the event about?

Professors and doctoral students from different chairs of the Institute of Information Systems would like to clarify the following questions with you:

- ✓ What are good reasons for doing a doctorate after graduation?
- ✓ How does a doctorate work and what formalities do I have to consider?
- ✓ What expectations are associated with a doctorate and what challenges will I have to face?
